Onesaid

Status Under development

Category Social

Description Onesaid is a new way to explore the mind, understand ourselves and understand one another. By sharing thoughts the things you love and the things you don't, Onesaid helps you visualize how you think about the world around you and explore thoughts from across the globe.

Onesaid also draws intelligent comparisons between each thought, allowing you to instantly see how similar or different you are to anyone else in the world.

Onesaid's analytics help you visualize what the world thinks and understand how thoughts have changed over time. @https://onesaid.com
